Through the Deputy Commissioner, Hassan District.

With reference to your letter No.L.6717/L.B. 12-28-34 dated 11th April 1929 intimating that the principle laid down in G.O. No.L.6401-9/L.B. 17-28-~~34~~ 41, dated 30th March 1929 also applies to the case of Y.N.Shamanna, Ayurvedic Vydyan, Javagal, to whom a recommendation had been made to make his services permanent on a pay of Rs 35-3-50 per mensem excluding the medicine charges etc., I have the honour to state that the ~~G.O.~~ Government order and your letter were discussed by the District Board, at their meeting held on 1st June 1929 and the Board after due consideration resolved that in the case of Javagal Vydyan, Y.N.Shamanna, his grant may be enhanced to Rs 35/ and medicine allowance to Rs 20/ per mensem, the present grant being 25+15 per mensem respectively.

This is the one Vydyasala under this District Board that is working satisfactorily, gaining popularity and the confidence of the public day by day, besides being well spoken of by the several officers and other gentlemen visiting the institution.

As such, the District Board also should encourage the Vydyan by paying him handsomely. Regarding the recovery of fees by the Vydyan for valuable medicines issued by him, I doubt very much if people who are accostumed to get medicine free of charges from the L.F.Dispensaries which are abounding in numbers, would even cherish

Proceedings of the Adjourned Meeting of the Hassan District Board, held on Saturday the 1st June. 1929.
